For four years, the class of '49 have been faithful students at C. H. S., and it will be found that the members of the class have contributed to almost all the school's activities of the past years.

Many of our abilities have been proved by our participation in various fields—debating, dramatics, music, football, basketball, and other events.

Our class play, "Seven Sisters" an original by Herzeg, was presented on Thursday and Friday, April 7 and 8. This play was one of the most successful ever presented in Carthage High and will be remembered by everyone who saw it.

An assembly was presented by the class of '49 on April 1 as an annual affair.

The Senior class sponsors were Miss Halliburton, Mr. Dunphy, and Mr. Richards.

The Junior class this year participated in many school activities. We were well represented on both football and basketball teams of the school, in the literary societies, the music department, speech department, and debating.

Our class play, "Henrietta the Eighth," proved to be a very successful and entertaining production.

Proceeds of "Henrietta the Eighth" were used in entertaining the Seniors at the annual Junior-Senior prom that was held in May.

The Junior class presented the assembly program on February 25, in the form of a radio broadcast.

With next year in mind, we continue our activities so that we may complete our years in C. H. S. and go out into the world aiming to make C. H. S. proud of us.

The Junior class sponsors were Miss Hardaway, Mr. Bussinger, and Mr. Cherry.

## Hi-Y Club

The first Hi-Y club was organized in the high school at Chapman, Kansas in the year 1889 and its purpose then and now is to "create, maintain, and extend throughout the school and community high standards of Christian character." The first Hi-Y club was organized about 1910 and there has been a club each year since. Our motto is Clean Speech, Clean Living, Clean Sportsmanship, and Clean Scholarship. The club of Carthage High School meets every Tuesday at the noon hour at the Y.M.C.A. building for lunch and an inspirational talk by the sponsor or other speakers.

# Student Council

President	Larry Dunham
Vice President	Bill Wilson
Secretary	Alyce Ann Sinclair
Treasurer	Eugene Weithoner
Sponsor	Mrs. Christine Webster

This year, as always, the Student Council has made every possible effort to carry out its purpose—to develop student initiative, leadership, and democracy, to promote the general welfare of the students, to stimulate school spirit, to arouse good fellowship among the students, to encourage close cooperation between students, faculty, and community, to create a wholesome interest in all the activities of the school and community, and to create and maintain standards of good citizenship among students.

In true '49'er fashion the Student Council has been very busy and industrious this year. This year was launched with a huge magazine sales campaign which netted enough to help pay for the inter-communication system and to start a fund for a more extensive visual education plan. The council backed the F.F.A. Barnwarmin', sent delegates to the District Student Council Convention at Springfield, Missouri, and to the National Convention at Trenton, Missouri, sold \$7,800 worth of tickets for the basketball and football games, and sponsored the March of Dimes, the Salvation Army, the Christmas and Easter seal campaigns, and the Red Cross.

The Student Council is proud of its record this year, but it is especially proud of you, the student body it represented during 1948 and 1949.

# The Carthaginian

The staff of the 1949 Carthaginian, like all other staffs, has tried to keep this book from being "just another annual," and the fruit of their efforts has been—just another annual. But we have endeavored to put into it those things which should hold first place in the memories of the students. We hope you are pleased with this record of 1948-1949 in the Carthage High School.

The Aristonian Literary Society has had a most enjoyable year. We began our year by collecting money to be used in sending a Red Cross box. The next big event was the annual Tri-Club Dance held January 22, at the Memorial Hall. In the spring we had a Mother and Daughter Banquet, with the theme "Easter" in mind, and the seniors were honored by a spring formal.

Each meeting was made up of literary works and personal talent. The informal initiation for the newly elected members was a wiener roast in the country.

With all of these activities, and numerous others, we have had a very successful year with Miss Sylvia Stecher as our sponsor.

The Altrurian Literary Society, founded in 1905, is the oldest club in Carthage High. The fifty members meet every two weeks with the club sponsor, Miss Peggy Pummill.

This year, as every year, a charity program was carried on. In the early fall the members had a Tag Day, the proceeds being used for charity work. Baskets were sent to needy families at Christmas time. Many Christmas gifts were also sent to the orphans at Farmington, Missouri. The Society contributed to the Red Cross, Community Chest, and Salvation Army funds.

The social activities of the club began with the co-sponsoring of the annual Tri-Club Dance on January 22, at the Memorial Hall. The new members were informally initiated when a picnic supper and line party was held for them. A successful year was brought to a close when the seniors were honored by the underclassmen with a formal dance.

There is a growing feeling that the peoples of the Western Hemisphere need to get better acquainted with one another. To know a people really well one should be able to use their language.

In an earnest effort to achieve these aims the members of El Circulo Castellano have become better acquainted with the language, customs, history, geography, and great men and women of the Spanish speaking countries.

Mr. R. E. Jansen gave a very interesting talk on his airplane trip to Buenos Aires, Argentina, at the November meeting. A film on Spanish cities was featured in December. Mr. Bruce Richards showed a film on the national monuments of New Mexico, and described his visit to the Carlsbad Caverns in that state. A wiener roast was enjoyed in October at Municipal Park, and the usual Christmas party with the Pinata game was held. Mr. Lowell Adair gave a very informative talk on Venezuela and its oil interests. The club members enjoyed his talk very much.

# Debate, Oratory and Dramatics

At the Springfield Invitational Tournament the first of the year they took second place. At the Independence, Missouri tournament they won first place, and at the Bolivar Debate Tournament they placed second. On February 17, the Sub-district and Big Eight contests were held in Webb City. Carthage won in the sub-district and went on to Springfield, but lost to Webb City by a close decision in the Big Eight. They placed second in the Southwest District eliminations.

The A Team included Alyce Ann Sinclair, Robert Redmond, Larry Dunham, and E. Marvin Osborne. These four people also presented an assembly program on January 28, a debate on the question: "Resolved: That High School Students Should Not Go Steady." Gene Hixson was chairman and Barbara Underwood timekeeper.

### THE PLAY

So far as the Seniors are concerned, the outstanding theatrical production of the year was "Seven Sisters" an original by Herzeg adapted by Edith Ellis. Fourteen Seniors trod the boards April 7 and 8, representing the class of '49 in this comedy of matrimonial dilemmas. Mrs. Gyurkovics was the mother who was bound by convention to marry off her daughters in the order of their ages. Mitzi was the fourth daughter who complicated matters by getting herself expelled from school and so was reduced to the age of 15 from 18. This allowed her three older sisters, Katinka, Sari and Ella to devise methods for exacting proposals from Colonel Radvany, Michael Sandorffy, and Gida Radvany. Ferenz Horkay was the gallant lieutenant who came to Mitzi's aid by helping to marry the older sisters and thereby freed Mitzi herself from the nursery—and incidentally won her hand. Terka, Liza, Klara, Toni Teleki and Janko carried the remainder of the part in the comedy, serving to "thicken the plot" and "advance the intrigue."

The purpose of the F.F.A. is to encourage thrift, sportsmanship, co-operation, service, scholarship, leadership, character development, and improve agriculture.

The chapter has prospered through its various money making activities and now owns a truck, trailer, 50-gallon power sprayer, electric Babcock tester, motion picture projector with speaker attachment, complete soil testing laboratory, farm shop equipment, an adequate agricultural library, complete set of surveying equipment, and pressure paint gun.

The chapter upheld its reputation by winning several contests last year. The chapter was victorious both in the sub-district and the district contests in Parliamentary Procedure, Public Speaking, Radio Skit, and consequently represented the district in the State Contest in Columbia. One member of the chapter won The Carthage Evening Press contest for Jasper County. Another member won the Ayrshire judging contest in Hutchinson, Kansas. The F.F.A. basketball team won second in the Tri-county tournament. Other highlights were the Parent and Son Banquet and the all-school Barnwarmin'. We participated in livestock shows of this district. Our chapter cooperated in the livestock pest control program and the wild life conservation program. We also built equipment for the Poultry Improvement Day, which was held in the Memorial Hall. There are now three classes of Veterans enrolled in Farm Training.

Snapshots of Students

What? Throwing snowballs at the beautiful girls . . . . .  
 Bill and Pat as usual . . . . .  
 Watch for the birdie! Ronnie, Bill, and Jerry . . . . .  
 We pause for a snapshot . . . . .  
 Not twins but friends, Peggy and Gladys . . . . .  
 Merrily on our way to school . . . . .  
 See, speak, and hear no evil, for John, Shafer, and Ted . . . . .  
 Old faithful music bus . . . . .  
 "Ready and aim" say Bill and Bob . . . . .  
 Helen, Betty, Lloyd, and Jackie pose for a picture . . . . .  
 Poor Pat—Tito must be out of gas again . . . . .  
 Why so happy girls? Could it be a Christmas vacation? . . . . .

Are you cold Delores? . . . .  
 Our favorite student body president, Larry, making his announcements . . . . .  
 Joan and Daisy are waiting, watching, and maybe wishing . . . . .  
 Why so many books Betty and Lela? Could it be time for third quarter examinations . . . .  
 All dressed up in "buttons and bows" but aren't they handsome? . . . .  
 School is out so Don R., Don Y., and Ivan must go home . . . . .  
 Good-bye Barbara, Joyce, and Treva, we will see you tomorrow . . . . .  
 Yes, children, we understand that you have cold hands when you play in the snow . . . .
